**Portfolio rebalancing due to short term defensive considerations:**

Subject to the SEBI (MF) Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. The Scheme may actively deviate from the stated asset allocation pattern outlined in the SID during extenuating circumstances. These instances may be beyond the control of the fund manager & the AMC and hence may require such deviations. Such changes in the investment pattern will be transitional in nature and will be undertaken as defensive considerations only in accordance with Para 1.14.1.2 of SEBI Master circular for Mutual Fund and as amended from time to time. Defensive considerations may be determined by the fund manager and /or AMC from time to time. In case of deviations on account of exogenous factors, the fund manager will endeavour to rebalance the Scheme within 30 calendar days from the date of such deviation. The intention being at all times to seek to protect the interests of the Unit holders.

**Portfolio rebalancing due to passive breaches:**

In case of passive deviation from the asset allocation pattern or various prudential limits prescribed under SEBI (Mutual funds) regulations, 1996 and circulars issued thereunder the AMC shall follow process specified in Para 2.9 of SEBI Master circular for Mutual Fund as amended from time to time. In line with the circular, in the event of deviation from the mandated asset allocation limits mentioned in the SID or the prudential limits due to passive breaches such as corporate action, substantial rise/fall in the price of an underlying scrip, maturity of any underlying security, large redemptions, etc., the portfolio would be rebalanced within 30 business days from the date of deviation. Where the portfolio is not rebalanced within mandated timelines, justification in writing including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. In case the portfolio of the Scheme is not rebalanced within aforementioned mandated plus extended timelines AMC shall adhere to the requirements as laid down in the aforesaid SEBI circular. However, at all times, the portfolio will adhere to the overall investment objective of the scheme.

<b>Investment Strategy</b>	<p>The scheme follows active investment strategy.</p> <p>The Scheme aims to generate long term capital appreciation by investing in a diversified portfolio of Equity &amp; Equity Related Instruments both in India as well as overseas.</p> <p>Equity portfolio will be run as a diversified portfolio without any capitalization bias and sector preference with a balanced mix of large and mid-cap stocks.</p> <p>The Scheme will look at the 3 pillars while constructing the portfolio:</p> <ul style="list-style-type: none"> <li>- High quality portfolio</li> <li>- Sustainable growth across market cycles</li> <li>- Low churn</li> </ul> <p>Portfolio construction would be a combination of both top down and bottom up approach. The top down approach will be based on macro-economic analysis and will be used to arrive at the geographical market and sectors/themes while the bottom-up process will focus on appreciation potential of individual stocks from a fundamental perspective to arrive at the stock selection. The AMC employs a "Fair value" based research process to analyse the appreciation potential of each stock in its universe (Fair value is a measure of the intrinsic worth of a company). The universe of stocks is carefully selected to include companies having a robust business models and enjoying sustainable competitive advantages as compared to their competitors.</p> <p>The Scheme by utilising a holistic risk management strategy will endeavour to manage risks associated with investing in equity markets. The Scheme has identified the following risks and designed risk management strategies, which are embedded in the investment process to manage these risks</p> <ol style="list-style-type: none"> <li>i. Quality Risk - Risk of investing in unsustainable / weak companies.</li> <li>ii. Price Risk - Risk of overpaying for a company</li> <li>iii. Liquidity Risk - High Impact cost of entry and exit</li> <li>iv. Volatility Risk - Volatility in price due to company or portfolio specific factors</li> <li>v. Event Risk - Price risk due to a company / sector specific or market event</li> </ol> <p>For details on derivative strategy, kindly refer section – I Part – II C of the SID of the Scheme.</p>
<b>Risk Profile of the Scheme</b>	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific risk factors are summarized below:</p> <p>The scheme carries risks associated with investing in equity and equity related securities, derivatives, debt, money market securities, securitized debt, debt instruments having credit enhancements, short selling and securities lending, foreign security/overseas Investment/offshore securities, Repo in Corporate Debt.</p> <p>The value of Scheme's investments may be affected by factors affecting the Securities markets and price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in law/policies if the Government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors.</p> <p>Consequently, the NAV of the units of the Scheme may be affected. Investment in Foreign Securities involves a currency risk. To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital to India may also be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of other restrictions on investment.</p>
<b>Risk Mitigation Strategies</b>	<p>Risk management is going to be an integral part of the investment process. Effective risk management is critical to fund management for achieving financial soundness.</p>

	<p>Investments by the Scheme shall be made as per the investment objectives of the Scheme and provisions of the Regulations.</p> <p>For more details, refer SID.</p>
<b>Creation of Segregated Portfolio</b>	<p>The Scheme does not have provision for segregated portfolio. For more details, refer SID &amp; SAI.</p>
