# Importance of Flexi Cap

# Flexi Cap Category: Market Cap Agnostic

Flexi cap has no constraints on market capitalization and can invest across market caps

Scope to grab opportunities across Market cap

Diversified portfolio investing across sectors

Aims to adapt to the ever-changing business environment

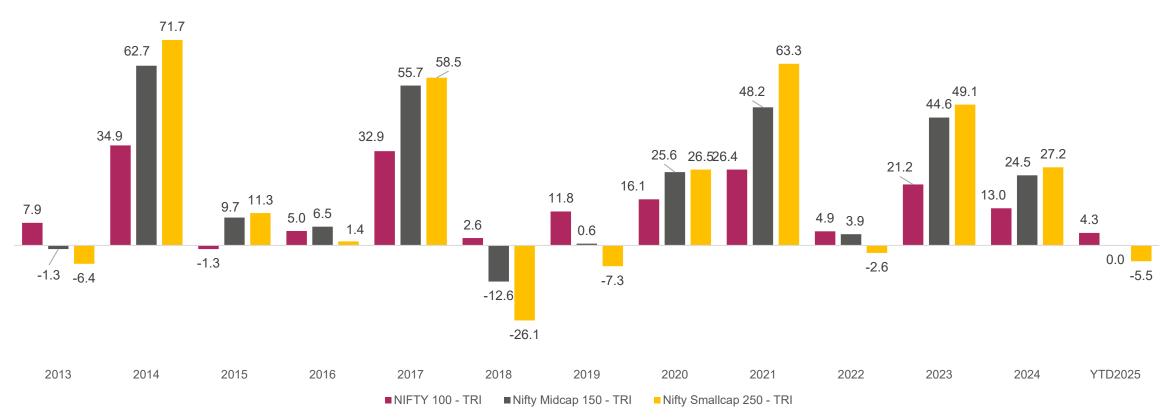

Large investment universe

- ✓ Ability to be selective across the investment universe
- ✓ Large / Mid / Small is a stock categorisation. It does not represents
  - asset class
  - Investment proposition
- ✓ Investment decision remain linked only with attractiveness of the position
- ✓ At the same time it puts the onus of evaluating investment proposition appropriately, both in absolute and relative terms with benchmark

# Flexi Cap Category: Market Cap Agnostic

- There have been years when the large cap has given positive returns with Mid and small cap being negative; and vice versa
- Predicting the is difficult and hence there is merit in investing across market caps

# Axis Flexi cap Fund
