However, the underlying schemes may have exposure to any or all of the above securities/instruments as may be permitted by SEBI from time to time.

Timelines for deployment of funds collected in New Fund Offer (NFO) as per asset allocation of the scheme:

In terms of SEBI circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2025/23 dated February 27, 2025, the AMC shall deploy the funds garnered in an NFO within 30 business days from the date of allotment of units. If the AMC is not able to deploy the funds in 30 business days, the AMC shall adhere to the requirements as laid down in the aforesaid SEBI circular.

Short Term and defensive considerations:

Subject to the SEBI MF Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. The Scheme may actively deviate from the stated asset allocation pattern outlined in the SID during extenuating circumstances which may include substantial subscription/redemption, adverse market conditions etc. These instances may be beyond the control of the fund manager & the AMC and hence may require such deviations. Such changes in the investment pattern will be transitional in nature and will be undertaken as defensive considerations only in accordance with Para 1.14.1.2 of SEBI Master circular for Mutual Fund and as amended from time to time. Defensive considerations may be determined by the fund manager and. In case of deviations on account of exogenous factors, the fund manager will endeavor to rebalance the Scheme within 30 calendar days from the date of such deviation. The intention being at all times to seek to protect the interests of the Unit holders.

Portfolio rebalancing:

In case of passive deviation from the asset allocation pattern, the AMC shall follow process specified in Para 2.9 of SEBI Master circular for Mutual Fund as amended from time to time. In line with the circular, in the event of deviation from the mandated asset allocation mentioned in the SID due to passive breaches, the portfolio would be rebalanced within 30 business days from the date of deviation. Where the portfolio is not rebalanced within mandated timelines, justification in writing including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. In case the portfolio of the Scheme is not rebalanced within aforementioned mandated plus extended timelines AMC shall adhere to the requirements as laid down in the aforesaid SEBI circular. However, at all times, the portfolio will adhere to the overall investment objective of the scheme.

B. WHERE WILL THE SCHEME INVEST?

Following are list of all instruments in which the scheme will invest:

- Units of equity-oriented schemes, debt-oriented schemes & Commodity based ETFs
- Debt Instruments & Money Market Instruments (for liquidity purpose)
- Short Term Deposits
- Overseas funds

Equity-oriented schemes – Schemes investing 65% or more in Equity and Equity related instruments.

Debt-oriented schemes – Schemes investing 65% or more in Debt and Money market instruments.

Commodity based ETF – ETFs primarily investing in commodities.

Currently only gold and silver based passive schemes are allowed under Commodities.

Investment in overseas securities shall be made in accordance with the requirements stipulated by SEBI and RBI from time to time.

The Scheme shall invest in any other instruments as may be permitted by SEBI/RBI from time to time.

Kindly refer detailed definitions and applicable regulations/guidelines for each instruments given in the Section II.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The scheme is an actively managed Fund of Funds scheme that will invest dynamically in units of different mutual fund schemes to achieve appropriate asset allocation in different market environments. The Scheme can allocate net assets across mutual fund schemes that invest in different asset classes including equity, debt and commodities.

The Scheme will invest in all equity oriented schemes, debt oriented schemes and commodity based ETFs of Axis Mutual Fund or other Domestic Mutual Funds having similar objectives, strategy, asset allocation and other attributes.

The Scheme will invest in overseas mutual fund schemes having similar objectives, strategy, asset allocation and other attributes.

The Scheme is designed to help investors create a basket of schemes which are actively chosen for achieving benefits of asset allocation and diversification across schemes that invest in different asset classes including equity, debt, and commodities.

Indian equity markets offer a multitude of investment opportunities across the market cap spectrum. The portfolio of schemes will be identified using a top down approach to investing, focusing on macros, identifying trends and fundamental triggers that would benefit from prevailing macro-economic conditions.

The scheme will allocate its assets between debt, equity, and commodities guided by the model covering the following parameters, but not limited to:

- Market Valuation
- Market cap to GDP
- Volatility
- Momentum
- Currency
- Interest rates
- Dollar Index
- Yield to earning

The exact allocation in various asset classes and schemes would be decided based on the fund manager's outlook on prevalent market conditions and changing business environment. As no single factor is responsible for an efficient dynamic asset allocation strategy in different market conditions. A combination of factors mentioned above and fund manager's view will lead to final allocation decision.

The allocation will be managed actively with an emphasis on identifying the best ideas within each scheme category. To complement the opportunities and manage concentration risks of a single country, the Scheme may selectively allocate assets in locally domiciled schemes which participate in international markets and overseas funds.

The scheme will predominantly invest in Axis Mutual fund schemes/ commodities ETFs, however, if there is any differentiated strategy fund, the scheme may invest in other mutual funds.

PORTFOLIO TURNOVER

Portfolio turnover in the scheme will be a function of market opportunities. It is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. The AMC will endeavor to optimize portfolio turnover to optimize risk adjusted return keeping in mind the cost associated with it. A high portfolio turnover rate is not necessarily a drag on portfolio performance and may be representative of investment opportunities that exist in the market.

For details pertaining to Risk Controls and Risk Mitigation refer Point no. C Part I of Section II of the Scheme Information Document.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

For details refer Point no. VII of – Part I - Section I of the Scheme Information Document.

vi. Investments of AMC in the Scheme –

Subject to the applicable Regulations, the AMC may invest either directly or indirectly, in the Scheme during the New Fund Offer or Ongoing Offer Period. However, the AMC shall not charge any investment management fee on such investments in the Scheme.

Further, in terms of requirement of the Regulations, the AMC shall invest such amounts in Scheme, based on the risks associated with the Scheme, as may be specified by the SEBI from time to time.

Please refer the AMC website <https://www.axismf.com/statutory-disclosures> for detailed AMC Investments in Scheme(s) of Axis Mutual Fund.

The Scheme is a new Scheme hence the above disclosure is not applicable.

Part III. OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit under the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation day. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

The Net Assets Value (NAV) of the Units under the Scheme shall be calculated as shown below:

$$\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme's Investments} + \text{Current Assets including Accrued Income} - \text{Current Liabilities and Provisions}}{\text{No. of Units outstanding under Scheme on the Valuation Day}}$$

The NAV shall be calculated up to four decimal places. Separate NAV will be calculated and disclosed for each Option. The NAVs of the Growth Option and the IDCW Option under each of the Plans will be different after the declaration of the first IDCW.

The AMC will calculate and disclose the first NAV of the Scheme within a period of 5 business days from the date of allotment under the new Fund Offer Period. Subsequently AMC will calculate and disclose the NAV of the Scheme on all the Business Days.

Illustration of Computation of NAV:

The computation of NAV per unit using various components is explained as follows:

Particulars	Amount in Rs
Market or Fair Value of Scheme's Investments.... (A)	10,00,00,000.00
Add: Current Assets including Accrued Income... (B)	75,34,345.00
Less: Current Liabilities and Provisions. (C)	(30,00,000.00)
Net Assets (A+B-C)	10,45,34,345.00

No. of Units outstanding under Scheme on the Valuation Day: 100,00,000

The NAV per unit will be computed as follows: 10,45,34,345.34 / 100,00,000 = Rs. 10.4534 per unit (rounded off to four decimals)

Disclosure pertaining to illustration on computation of NAV and Methodology for calculation of sale and re-purchase price of the units of mutual fund scheme.

Disclosure to the effect that the repurchase price shall not be lower than 95% of the NAV. For other details such as policies w.r.t computation of NAV, rounding off, procedure in case of delay in disclosure of NAV etc. refer to SAI

B. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid, marketing and advertising, registrar expenses, printing and stationary, bank charges etc.

In accordance with the provisions of SEBI circular, the Scheme, being an open-ended scheme, the NFO expenses will be borne by the AMC/ Sponsor.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include but are not limited to Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that following expenses will be charged to the Scheme as expenses as permitted under Regulation 52 of SEBI (MF) Regulations. For the actual current expenses being charged, the investor should refer to the website of the AMC.

Expense Head	% of daily Net Assets
Investment Management and Advisory fees	Upto 2.00%
Trustee fees	
Audit fees	
Custodian fees	
RTA fees	
Marketing & Selling expense incl. agent commission	
Cost related to investor communications	
Cost of fund transfer from location to location	
Cost of providing account statements and IDCW redemption cheques and warrants	
Cost towards investor education & awareness \$	
Costs of statutory Advertisements	
Brokerage & transaction cost over and above 12 bps for cash market trades	
Goods & Service Tax (GST) on expenses other than investment and advisory fees	
GST on brokerage and transaction cost (over & above 12bps mentioned above)	
Other Expenses*	
Maximum total expense ratio (TER) permissible under Regulation 52 (6)(a)	Upto 2.00%
Additional expenses under regulation 52(6A)(c)	Upto 0.05%
Additional expenses for gross new inflows from specified cities under regulation 52(6A)(b)^	Upto 0.30%

\$These expenses will not be charged in case investments in Domestic Mutual Fund Schemes / Commodity ETFs is more than 80% of the scheme NAV.

*Any other expenses which are directly attributable to the Scheme, may be charged with the approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in Regular Plan.

Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid/ charged under Direct Plan.

The expenses towards Investment Management and Advisory Fees under Regulation 52 (2) and the various sub-heads of recurring expenses mentioned under Regulation 52 (4) of SEBI (MF) Regulations can be

apportioned under various expense heads/ sub heads without any sub limit, as permitted under the applicable regulations. Thus, there shall be no internal sub-limits within the expense ratio for expense heads mentioned under Regulation 52 (2) and (4) respectively. Further, the additional expenses under Regulation 52(6A)(c) may be incurred either towards investment & advisory fees and/or towards other expense heads as stated above.

These estimates have been made in good faith as per the information available to the Investment Manager and are subject to change inter-se or in total subject to prevailing Regulations. The AMC will charge the Scheme such actual expenses incurred, subject to the statutory limit prescribed in the Regulations.

The recurring expenses of the Scheme (including the Investment Management and Advisory Fees) shall be as per the limits prescribed under the SEBI (MF) Regulations. These are as follows:

The total expense ratio of the Scheme including weighted average of the total expense ratio levied by the underlying scheme(s) shall not exceed 2.00 per cent of the daily net assets of the Scheme.

Provided that the total expense ratio to be charged over and above the weighted average of the total expense ratio of the underlying scheme shall not exceed two times the weighted average of the total expense ratio levied by the underlying scheme(s), subject to the overall ceilings as stated above.

The total expenses of the Scheme including the investment management and advisory fee shall not exceed the limit stated in Regulation 52(6) of the SEBI (MF) Regulations and amended thereto.

Expenses charged to the Scheme:

- A. In addition to the limits as specified in Regulation 52(6) of SEBI (MF) Regulations 1996 or the Total Recurring Expenses (Total Expense Limit) as specified above, the following costs or expenses may be charged to the Scheme namely-

a). Additional expenses for gross new inflows from specified cities

Expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from such cities as specified by SEBI/AMFI from time to time are at least -

- i. 30 per cent of gross new inflows in the Scheme, or;
- ii. 15 per cent of the average assets under management (year to date) of the Scheme, whichever is higher.

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the Scheme shall be charged on proportionate basis.

Provided further that, expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities.

Provided further that, amount incurred as expense on account of inflows from beyond top cities as specified by SEBI/AMFI, so charged shall be credited back to the Scheme, in case the said inflow is redeemed within a period of one year from the date of investment.

Provided further that, additional TER can be charged based on inflows only from retail investors from B30 cities in terms of Para 10.1.3 of SEBI master Circular for Mutual Funds . as amended from time to time. For this purpose inflows of amount upto Rs. 2,00,000/- per transaction, by individual investors shall be considered as inflows from "retail investor".

[^]Note: Pursuant to SEBI letter dated February 24, 2023 read with AMFI communication dated March 02, 2023, w.e.f March 01, 2023 no additional expense shall be charged on the new inflows received on or after March 01, 2023 from specified cities as per Regulation 52 (6A) (b) till any further guidance is received from SEBI in this regard.

b). Additional expenses under regulation 52(6A)(c)

Additional expenses, incurred towards different heads mentioned under Regulations 52(2) and 52(4), not exceeding 0.05 per cent of daily net assets of the Scheme;

c). GST payable on investment and advisory service fees ('AMC fees') charged by Axis Asset Management Company Ltd.;

d). Brokerage and transaction cost incurred for the purpose of execution shall be charged to the schemes as provided under Regulation 52 (6A) (a) upto 12 bps for cash market transactions. Any payment towards brokerage & transaction costs, over and above the said 12 bps for cash market transactions will be charged within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52 of the Regulations.

B. Within the Total Expense Limit chargeable to the Scheme, following will be charged to the Scheme:

a) GST on other than investment and advisory fees, if any, shall be borne by the Scheme

C. AMC fees charged by Axis AMC to the Scheme will be within the Total Expense Limit as prescribed by SEBI Regulations, as amended from time to time.

Expenses over and above the prescribed limit shall be charged / borne in accordance with the Regulations prevailing from time to time.

The mutual fund would update the notice of change in base TER on its website (www.axismf.com) atleast three working days prior to the effective date of the change. Investors can refer 'Total Expense Ratio of Mutual Fund Schemes' section on <https://www.axismf.com/total-expense-ratio> for Total Expense Ratio (TER) details.

Illustration: Impact of Expense Ratio on Scheme's return:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets.

To further illustrate in rupee terms the above, for the Scheme under reference, suppose an Investor invested Rs. 10,000/- (after deduction of stamp duty and transaction charges, if any) under the Growth Option, the impact of expenses charged will be as under:

Sr. No.1	Particulars	Regular Plan	Direct Plan
A.	Amount invested at the beginning of the year (Rs.)	10,000	10,000
B.	Returns before expenses (Rs.)	1,500	1,500
C.	Expenses other than the expenses mentioned in 'D' below (Rs.)	50	50
D.	Marketing & Selling expense incl. agent commission (Rs.)	150	0
E.	Returns after expenses at the end of the year (Rs.) [B – (C + D)]	1300	1450
	Returns after expenses at the end of the year (in %) [(E/A) – 1]	13%	14.5%

Note(s):

- The purpose of the above illustration is purely to explain the impact of expense ratio charged to the Plan(s) under the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year.
- The expenses of the Direct Plan of the Scheme will be lower to the extent of the distribution expenses/ commission
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to seek appropriate advice.

D. LOAD STRUCTURE

Load is an amount which is paid by the Investor to redeem the Units from the Scheme. This amount is used by the AMC to pay commission to the distributors and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, investors may refer to the website of the AMC (www.axismf.com) or may call at contact number

8108622211 (Chargeable) from 9.00 am to 6.00 pm (Monday to Saturday) or can contact his distributor.

Para 10.4 of SEBI Master Circular for Mutual Funds as amended from time to time has decided that there shall be no entry Load for all Mutual Fund Schemes.

Type of Load	Load chargeable (as %age of NAV)
Exit Load	As mentioned under Section I – Point No. XI.

Units issued on reinvestment of IDCW shall not be subject to Load. No load shall be levied on switches between options and sub-options of the Scheme. Thus, for switches between the Growth and IDCW Option, no load will be charged by the Scheme. However, for switches between the Plans i.e. between Regular and Direct Plan or vice versa, load will be charged by the Scheme.

The above mentioned load structure shall be equally applicable to the special products such as switches, STP, SWP, etc. offered by the AMC.

Exit load, if any, charged to the investors will be credited back to the Scheme net of GST. The Investor is requested to check the prevailing Load structure of the Scheme before investing.

For any change in Load structure AMC will issue an addendum and display it on the website/ Investor Service Centres.

Para 10.4 of SEBI Master Circular for Mutual Funds has decided that there shall be no entry Load for all Mutual Fund schemes.

Under the Scheme, the AMC/ Trustee reserves the right to change / modify the Load structure if it so deems fit in the interest of smooth and efficient functioning of the Mutual Fund. The AMC/ Trustee reserves the right to introduce / modify the Load depending upon the circumstances prevailing at that time subject to maximum limits as prescribed under the Regulations.

The Redemption Price however, will not be lower than 95% of the NAV. Any imposition or enhancement of Load in future shall be applicable on prospective investments only.

At the time of changing the Load Structure:

1. The AMC shall be required to issue an addendum and display the same on its website immediately;
2. The addendum shall be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Document and Key Information Memorandum already in stock.
3. Latest applicable addendum shall be a part of KIM and SID of the respective Scheme(s).
4. Further, the account statements shall continue to include applicable load structure.

The Trustee/AMC reserves the right to change the load structure subject to the limits prescribed under the Regulations. Any change in load structure shall be only on a prospective basis i.e. any such changes would be chargeable only for Redemptions from prospective purchases (applying first in first out basis).

E. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 Investors and no single Investor shall account for more than 25% of the corpus of the Scheme. The aforesaid conditions should be complied with in each calendar quarter on an average basis. In case the Scheme does not have a minimum of 20 Investors on an ongoing basis for each calendar quarter, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at Applicable NAV. If there is a breach of the 25% limit by any Investor over the quarter, a rebalancing period of one month would be allowed and thereafter the Investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25% limit within the aforesaid 15 days would lead to automatic Redemption by the Mutual Fund at the Applicable NAV on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

SPECIAL CONSIDERATIONS, if any

The investors will bear the recurring expenses of the Underlying Schemes in addition to the recurring expenses charged by Axis Multi-Asset Active FoF.

Section II

I. Introduction

A. Definitions/interpretation

For details refer website of Axis Mutual Fund: <https://www.axismf.com/statutory-disclosures>

B. Risk factors

Scheme Specific Risk Factors

Risks associated with investments in Units of Mutual Fund schemes

The Scheme will invest in a basket of open ended equity oriented, debt oriented mutual fund schemes and commodity ETFs of Axis Mutual Fund or any other Mutual Fund Schemes. Hence the performance of the Scheme would depend upon the performance of the underlying schemes. Any change in the investment policies or fundamental attributes of the underlying schemes will affect the performance of the Scheme.

This being a Fund of Funds scheme, the investors are bearing the recurring expenses of the Scheme in addition to the expenses of underlying scheme(s) in which the Scheme shall make investment. However, in line with the SEBI Regulations, the total expense ratio of the Scheme including weighted average of the total expense ratio levied by the underlying scheme(s) shall not exceed the eligible percent of the daily net assets of the Scheme.

Investment in the equity schemes will have all the risks associated with the equity markets including price risk, liquidity risk and company specific risk.

Investment in the debt schemes will have all the risks associated with the debt markets including price risk, credit risk and reinvestment risk.

Risks associated with Investment in commodities Exchange Traded Funds

To the extent the Scheme's assets are invested in commodity, the risks associated with the underlying commodity, will also be applicable. Some factors affecting the value may include:

- Investors' expectations with respect to the rate of inflation
- Currency exchange rates
- Interest rates
- Investment and trading activities of hedge funds and Gold & Silver ETFs
- Global or regional political, economic or financial events and situations
- Changes in indirect taxes or any other levies

The returns from commodities in which the underlying ETFs invest may underperform returns from the various general securities markets or different asset classes. Different types of securities tend to go through cycles of out-performance and under-performance in comparison to the general securities markets.

Currently only gold and silver based passive schemes are allowed to be launched under commodity based schemes.

Risks associated with investments in Equity and Equity related instruments

- Equity and equity related instruments are volatile and prone to price fluctuations on a daily basis. The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme portfolio would result at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme portfolio. Also, the value of the Scheme investments

may be affected by interest rates, currency exchange rates, changes in law/ policies of the government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors.

- Investments in equity and equity related securities involve a degree of risk and investors should not invest in the equity Schemes unless they can afford to take the risk of losing their investment.
- Securities which are not quoted on the stock exchanges are inherently illiquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors / unitholders, including put options.

Risks associated with investments in Fixed Income Securities

Interest-Rate Risk: Fixed income securities such as government bonds, corporate bonds, money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.

Basis Risk: The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Schemes' investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Credit Risk: This is the risk associated with the issuer of a debenture/bond or a Money Market Instrument defaulting on coupon payments or in paying back the principal amount on maturity. Even when there is no default, the price of a security may change with expected changes in the credit rating of the issuer. It is to be noted here that a Government Security is a sovereign security and is the safest. Corporate bonds carry a higher amount of credit risk than Government Securities. Within corporate bonds also there are different levels of safety and a bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency.

Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

Risks associated with Segregated Portfolio

1. Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer.
2. Security comprising of segregated portfolio may not realise any value.
3. Listing of units of segregated portfolio on recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

Risks associated with transaction in Units through stock exchange(s)

In respect of transaction in Units of the Scheme through BSE and / or NSE, allotment and redemption of Units on any Business Day will depend upon the order processing / settlement by BSE and / or NSE and their respective clearing corporations on which the Fund has no control.

Risks associated with investing in foreign securities/ overseas investments/ offshore securities

- Subject to necessary approvals and within the investment objectives of the Scheme, the Scheme may invest in overseas markets vide overseas schemes which carry risks related to fluctuations in the foreign exchange rates, the nature of the securities market of the country, repatriation of capital due to exchange controls and political circumstances.

To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital to India may also be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of other restrictions on investment.

C. Risk mitigation strategies

Risk Control

Risk management is going to be an integral part of the investment process. Effective risk management is critical to fund management for achieving financial soundness. Investments by the Scheme shall be made as per the investment objectives of the Scheme and provisions of the Regulations. The risk control process involves identifying & measuring the risk through various risk measurement tools.

Investments made from the corpus of the Scheme would be in accordance with the investment objective of the Scheme and the provisions of the SEBI (MF) Regulations. The Scheme's portfolio shall predominantly consist of equity oriented / debt-oriented schemes /commodity ETFs. Thus, the mitigation policies applicable to those Schemes will be applicable to this Scheme

Risk control measures with respect to investment in units of Equity schemes

Concentration Risk: Concentration risk represents the probability of loss arising from heavy exposure to a particular group of sectors or securities.

Mitigation: The underlying schemes will try to mitigate this risk by diversifying the investment into the large number of companies and keep stock-specific concentration risk relatively low.

Market Risk: The scheme is vulnerable to movements in the prices of securities invested by the underlying scheme, which could have a material bearing on the overall returns from the scheme.

Mitigation - Market risk is a risk which is inherent to an equity scheme. The scheme will try to reduce the market risk by undertaking active portfolio management as per the investment objective.

Liquidity risk: The liquidity of investments made in the underlying Scheme may be restricted by trading volumes and settlement periods

Mitigation- As such the liquidity of stocks that the underlying schemes invest into could be relatively low. The underlying schemes will try to maintain a proper asset-liability match to ensure redemption / Maturity payments are made on time.

Risk control measures with respect to Debt Investments – i.e investment in Debt, Money Market Instruments & units of liquid schemes

Market Risk / Interest Rate Risk: Changes in interest rates may affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise.

The price movement up and down in fixed income securities will lead to possible movements in the NAV.

Mitigation - In a rising interest rates scenario the Scheme / underlying scheme may increase its investment in money market securities whereas if the interest rates are expected to fall the allocation to debt securities with longer maturity may be increased thereby mitigating risk to that extent.

Liquidity or Marketability Risk: This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM).

Mitigation- The Scheme / underlying scheme may invest in government securities, corporate bonds and money market instruments. While the liquidity risk for government securities, money market instruments and short maturity corporate bonds may be low, it may be high in case of medium to long maturity corporate bonds.

Credit risk or default risk: It refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security). Normally, the value of a fixed income security will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk.

Mitigation- Apart from the basic examination, management's past track record will also be studied. In order to assess financial risk a detailed assessment of the issuer's financial statements will be undertaken to review its ability to undergo stress on cash flows and asset quality. A detailed evaluation of accounting policies, off-balance sheet exposures, notes, auditors' comments and disclosure standards will also be made to assess the overall financial risk of the potential borrower.

Risk control measures with respect to investment in units of Commodities ETF

Volatility Risk – ETFs being passively managed carry lesser risk compared to active management. The underlying ETF scheme(s) where the Scheme intends to invest follow the underlying price of commodity and therefore the level of portfolio volatility would be same as that of the underlying commodity price volatility. The fund manager would also endeavour to keep minimal cash levels to keep performance deviation from the underlying ETF's to minimal.

Liquidity Risk - The underlying scheme may retain certain investments in cash or cash equivalents for its day-to-day liquidity requirements. The Trustee (subject to applicable regulations) in general interest of the Unit holders of the underlying scheme offered under its Scheme Information Document and keeping in view of the unforeseen circumstances / unusual market conditions, may limit the total number of Units, which can be redeemed on any Business Day.

Price Risk - Price risk is inherent to the prices of commodities impacting the underlying schemes NAV.

Custody Risk - There is a risk that part or all of the physical Silver / Gold belonging to the underlying Scheme could be lost, damaged or stolen. In order to ensure safety, the said Silver / Gold will be stored with custodian in its vaults. The custodian will insure/cover all such risks.

Risk control with respect to investment in units of Overseas mutual funds

In addition to the risk and risk mitigation strategies mentioned above, the below risk will be applicable to the investment in Overseas Mutual Funds :

Currency Risk - The Scheme will invest in Overseas Mutual Funds as permitted by the concerned regulatory authorities in India. Since the assets will be invested in securities denominated in foreign currency, the INR equivalent of the net assets, distributions and income may be adversely affected by changes / fluctuations in the value of the foreign currencies relative to the INR.

Mitigation - The underlying schemes shall have the option to enter into permissible instruments (subject to applicable regulations by SEBI/RBI) for the purposes of hedging against the foreign exchange fluctuations.

Tracking error risk pertaining to underlying Schemes (ETFs)

Tracking error risk (pertaining to underlying Schemes): The performance of the Scheme may not

commensurate with the performance of the benchmark index on any given day or over any given period. Such variation, referred to as tracking error may impact the performance of the Scheme.

Mitigation: The Investment Manager would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible.

II. Information about the scheme:

A. Where will the scheme invest –

Units of debt/equity oriented Mutual Fund schemes and Commodity ETFs

The Scheme will invest in units of debt/equity oriented mutual fund schemes and Units of Commodity Exchange Traded Funds of Axis Mutual Fund or any other Mutual Fund including overseas active funds in conformity with the investment objective and asset allocation pattern of the Scheme and in terms of the prevailing SEBI (MF) Regulations. Provided that such investment will be within the limits specified under SEBI (MF) Regulations.

Debt Instruments & Money Market Instruments

Treasury Bill (T-Bills)

Treasury Bills are issued by the Government of India to meet their short term borrowing requirements. T-Bills are issued for maturities of 14 days, 91 days, 182 days and 364 days. The Scheme may also invest in Cash Management Bill (CMB) issued by the Government of India to meet their short term borrowing requirements. CMB are generally issued for maturities of less than 91 days.

The Scheme shall invest in units/securities issued by overseas mutual funds investing in eligible securities in terms of Para 12.19 of SEBI Master circular for Mutual Funds and as amended from time to time, mutual funds can make overseas investments (other than overseas ETF) subject to a maximum of US \$1 billion. The Mutual Fund may also appoint overseas investment advisors and other service providers, to the extent permissible under the Regulations.

The Mutual Fund may open one or more foreign currency accounts abroad either directly, or through the custodian/sub-custodian, to facilitate investments and to enter into/deal in forward currency contracts, currency futures, interest rate futures / swaps, currency options for the purpose of hedging the risks of assets of a portfolio or for its efficient management. However, the use of such instruments shall be as permitted from time to time. All the requirement of the Para 12.19 of SEBI Master circular for Mutual Funds . and as amended from time to time, would be adhered to by the AMC for investment in foreign securities.

An Investment in overseas securities shall be made in accordance with the requirements including appointment of a dedicated Fund Manager stipulated by SEBI and RBI from time to time.

The securities / instruments mentioned above and such other securities the Scheme is permitted to invest in could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of any maturity.

The securities may be acquired through primary market, secondary market, private placement, rights offers, negotiated deals etc. Further investments in debentures, bonds and other fixed income securities

will be in instruments which have been assigned investment grade rating by the Credit Rating Agency.

For applicable regulatory investment limits please refer paragraph "Investment Restrictions".

The Fund Manager may invest in any other security as maybe permitted from time to time and which are in line with the investment objectives of the Scheme.

Debt and Money Markets in India

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporates. Government and public sector enterprises are the predominant borrowers in the markets. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporates. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The Government Securities (G-Secs) market, consists of G-Sec outstanding of Rs. 80,59,921.302cr as on Feb 28, 2022 (State Govt securities - Rs 38,31,895.100 cr, (as on Feb'21) Source: CCIL), is the oldest and the largest component (50% share in market cap) of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Secs market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc.

The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI). In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporates. In money market, activity levels of the Government and nongovernment debt vary from time to time. Instruments that comprise a major portion of money market activity include but not limited to:

- Overnight Call
- Tri Party Repo
- Repo/Reverse Repo Agreement
- Treasury Bills
- Government securities with a residual maturity of < 1 year.
- Commercial Paper
- Certificate of Deposit

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. Though not strictly classified as Money Market Instruments, PSU / DFI / Corporate paper with a residual maturity of < 1 year, are actively traded and offer a viable investment option.

The market has evolved in past 2-3 years in terms of risk premia attached to different class of issuers. Bank CDs have clearly emerged as popular asset class with increased acceptability in secondary market. PSU banks trade the tightest on the back of comfort from majority government holding. Highly rated manufacturing companies also command premium on account of limited supply. However, there has been increased activity in papers issued by private/foreign banks/NBFCs/companies in high-growth sector due to higher yields offered by them. Even though companies across these sectors might have been rated

on a same scale, the difference in the yield on the papers for similar maturities reflects the perception of their respective credit profiles.

The following table gives approximate yields prevailing on September 30, 2025 some of the instruments and further illustrates this point.

Instrument	Current Yield range (%)
Tri-party Repo	5.40/5.45
Repo	5.40/5.45
3M T-bill	5.40/5.45
1Y T-bill	5.55/5.60
10Y G-sec	6.50/6.55
3m PSU Bank CD	5.85/5.90
3m Manufacturing co. CP	5.90/5.95
1Y PSU Bank CD	6.30/6.35
1Y NBFC CP	6.75/6.85
1Y Manufacturing co. CP	6.45/6.50
5Y AAA Institutional Bond	6.90/6.95
10Y AAA Institutional Bond	7.15/7.20

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro-economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

B. What are the investment restrictions?

Pursuant to Regulations, specifically the Seventh Schedule and amendments thereto, the following investment restrictions are currently applicable to the Scheme:

1. As the scheme is a fund of fund scheme, it shall be subject to the following investment restrictions:

7. Pending deployment of the funds of the Scheme in securities in terms of the investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of scheduled commercial banks, subject to the guidelines issued by SEBI from time to time:

The Scheme will comply with the following guidelines/restrictions for parking of funds in short term deposits:

- i. "Short Term" for such parking of funds by the Scheme shall be treated as a period not exceeding 91 days. Such short-term deposits shall be held in the name of the Scheme.
 - ii. The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustee.
 - iii. Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
 - iv. The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
 - v. The Scheme shall not park funds in short term deposit of a bank which has invested in that Scheme. Further, Trustees/ AMCs shall also ensure that the bank in which the Scheme has STD do not invest in the said scheme until the Scheme has STD with such bank.
 - vi. The AMC will not charge any investment management and advisory fees for funds parked in short term deposits of scheduled commercial banks.
- However, the above provisions will not apply to term deposits placed as margins for trading in cash market.
8. The Scheme shall not advance any loans.
9. The Scheme shall not borrow except to meet temporary liquidity needs of the Scheme for the purpose of repurchase/redemption of Units or payment of interest and/or IDCW to the Unit holders.

Provided that the Scheme shall not borrow more than 20% of the net assets of the individual Scheme and the duration of the borrowing shall not exceed a period of 6 months.

The Scheme will comply with the other Regulations applicable to the investments of Mutual Funds from time to time.

10. The Mutual Fund/AMC shall make investment out of the NFO proceeds only on or after the closure of the NFO period. The Mutual Fund/ AMC can however deploy the NFO proceeds in TREPS before the closure of NFO period. However, AMCs shall not charge any investment management and advisory fees on funds deployed in TREPS during the NFO period. The appreciation received from investment in TREPS shall be passed on to investors.

Further, in case the minimum subscription amount is not garnered by the scheme during the NFO period, the interest earned upon investment of NFO proceeds in TREPS shall be returned to investors, in proportion of their investments, along-with the refund of the subscription amount.

Apart from the investment restrictions prescribed under SEBI (MF) Regulations, does the fund follow any internal norms vis-à-vis limiting exposure to a particular scrip or sector, etc.

The Scheme will comply with the other Regulations applicable to the investments of Mutual Funds from time to time.

All the investment restrictions will be applicable at the time of making investments.

The AMC/Trustee may alter these above stated restrictions from time to time to the extent the Regulations change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for mutual funds to achieve its respective investment objective.

Investors desirous of having the Units of the Scheme in dematerialized form should contact the ISCs of the AMC/Registrar. Where units are held by investor in dematerialized form, the demat statement issued by the Depository Participant would be deemed adequate compliance with the requirements in respect of dispatch of statements of account. In case investors desire to convert their existing physical units (represented by statement of account) into dematerialized form or vice versa, the request for conversion of units held in physical form into Demat (electronic) form or vice versa should be submitted along with a Demat/Remat Request Form to their Depository Participants. In case the units are desired to be held by investor in dematerialized form, the KYC performed by Depository Participant shall be considered compliance of the applicable SEBI norms. Further, demat option shall also be available for SIP transactions. Units will be allotted based on the applicable NAV as per Scheme Information Document and will be credited to investors Demat Account as per the settlement calendar. Units held in Demat form are freely transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer can be made only in favour of transferees who are capable of holding units and having a Demat Account. The delivery instructions for transfer of units will have to be lodged with the Depository Participant in requisite form as may be required from time to time and transfer will be affected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode. For details, Investors may contact any of the Investor Service Centres of the AMC.

Minimum Target amount	Rs. 10 crores. This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return. However, if AMC fails to refund the amount within 5 business days from date of closure of NFO, interest as specified by SEBI (currently 15% p.a.) will be paid to the investors from the expiry of 5 business days from the date of closure of the NFO.
Maximum Amount to be raised (if any)	Not Applicable
Dividend Policy (IDCW)	Under the IDCW option, the Trustee will have the discretion to declare the IDCW, subject to availability of distributable surplus calculated in accordance with the Regulations. The actual declaration of IDCW and frequency will inter-alia, depend on availability of distributable surplus calculated in accordance with SEBI (MF) Regulations and the decisions of the Trustee shall be final in this regard. There is no assurance or guarantee to the Unit holders as to the rate of IDCW nor that it will be paid regularly. The AMC/Trustee reserves the right to change the frequency of declaration of IDCW or may provide for additional frequency for declaration of IDCW. IDCW Distribution Procedure In accordance with Chapter 11 of SEBI Master Circular on Mutual Funds as amended from time to time, the procedure for distribution would be as under: 1. Quantum of IDCW and the record date will be fixed by the Trustee. IDCW so decided shall be paid, subject to availability of distributable surplus. 2. Within one calendar day of the decision by the Trustees, AMC shall issue notice to the public communicating the decision including the record date. The record date shall be three (3) working days from the date of publication in at least one English newspaper or in a newspaper published in the language of the region where the Head Office of the mutual fund is situated, whichever is issued earlier. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose names appear on the register of Unit holders for receiving IDCW. 4. The notice will, in font size 10, bold, categorically state that pursuant to payment of IDCW, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable). 5. The NAV will be adjusted to the extent of IDCW distribution and statutory levy, if any, at the close of business hours on record date. 6. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by Mutual Fund. However, the requirement of giving notice shall not be applicable for IDCW options having frequency up to one month.
Allotment (Detailed procedure) (During NFO)	Allotment will be made to all valid applications received during the New Fund Offer Period. Allotment of Units, shall be completed not later than 5 business days after the close of the New Fund Offer Period. On acceptance of the application for subscription, an allotment confirmation specifying the number of units allotted by way of e-mail and/or SMS within 5 business days from the date of receipt of transaction request/allotment will be sent to the Unit Holders registered e-mail address and/or mobile number. In cases where the email does not reach the Unit holder, the Fund / its Registrar & Transfer Agents will not be responsible, but the Unit holder can request for fresh statement. The Unit holder shall from time to time intimate the Fund / its Registrar & Transfer Agent about any changes in his e-mail address.

Refund	During NFO: Fund will refund the application money to applicants whose applications are found to be incomplete, invalid or have been rejected for any other reason whatsoever. Refund instruments will be dispatched within 5 business days of the closure of NFO period. In the event of delay beyond 5 business days, the AMC shall be liable to pay interest at 15% per annum or such other rate of interest as maybe prescribed from time to time. During Ongoing Offer period: The AMC will refund the subscription money to applicants whose applications are found to be incomplete, invalid or have been rejected for any other reason whatsoever in accordance with the AMFI best practice guidelines in the matter. The AMC will endeavor to refund such amounts within 5 business days from the date of purchase transactions as per the timestamp / applicable NAV, where the application form / online transaction is received along with the payment and the funds have been realized. Where the subscription amount and the application/ online transaction are received separately, the period of 5 business days shall be reckoned from the later of the date of identifying the remitter details, based on the credit provided by the Bank or receipt and time stamping of application/ online transaction. In the event of delay beyond 5 business days, the AMC in line with AMFI best practice guidelines on the matter, will pay interest at 15% per annum or such other rate of interest as may be prescribed from time to time.

Disbursement of such loans will be at the entire discretion of the bank / financial institution / NBFC or any other person concerned and the Mutual Fund assumes no responsibility thereof. The Pledger/ lienor will not be able to redeem/Switch-out Units that are pledged/liened until the entity to which the Units are pledged/liened provides written authorisation to the Mutual Fund that the pledge / lien charge may be removed. As long as Units are pledged/liened, the Pledgee/lienee will have complete authority to redeem / Switch-out such Units. IDCW declared on Units under lien/pledge will be paid / re-invested to the credit of the Unit Holder and not the lien holder unless specified otherwise in the lien letter. If there are subsisting credit facilities secured by a duly created pledge/lien, I, the nominee(s) or legal heirs / legal representative(s) shall be required to obtain a due discharge certificate from the creditors at the time of transmission of units. For NRIs, the Scheme may mark a lien on Units in case documents which need to be submitted are not given in addition to the application form and before the submission of the redemption / Switch-out request. The Units held in demat mode can be pledged/ liened as per the provisions of Depositories Act and Depositories Rules and Regulations. However, the AMC reserves the right to change operational guidelines for pledge/ lien on Units from time to time. Suspension/Restriction on Redemption of Units of the Scheme Subject to the approval of the Boards of the AMC and of the Trustee and subject also to necessary communication of the same to SEBI, the redemption of / switch-out of Units of Scheme, may be temporarily suspended/ restricted. In accordance with Para 1.12 of SEBI Master Circular on Mutual Funds as amended from time to time and subject to prevailing regulations, restriction on/suspension of redemptions / switch-out of Units of the Scheme, may be imposed when there are circumstances leading

	to systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as: Liquidity issues: when market at large becomes illiquid affecting almost all securities rather than any issuer specific security; Market failures, exchange closures: when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies; Operational issues: when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Restriction on / suspension of redemption of Units of the Scheme may be imposed for a specified period of time not exceeding 10 working days in any 90 days period. When restriction on / suspension of redemption of Units of the Scheme is imposed, the following procedure shall be applied: - No redemption / switch-out requests upto Rs. 2 lakhs shall be subject to such restriction. - Where redemption / switch-out requests are above Rs. 2 lakhs, the AMC shall redeem the first Rs. 2 lakhs without such restriction and remaining part over and above Rs. 2 lakhs shall be subject to such restriction. In addition to the above, the AMC / Trustee may restrict / suspend redemptions / switch-out of Units of the Scheme pursuant to direction/ approval of SEBI. In case of any of the above eventualities, the general time limits for processing requests for redemption of Units will not be applicable. Also refer to the paragraph 'Suspension of Purchase and Redemption of Units' in the Statement of Additional Information.
Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	Subscriptions/Purchases including Switch - ins: The following cut-off timings shall be observed by the Mutual Fund in respect of purchase of units of the Scheme and the following NAVs shall be applied for such purchase: - where the application is received upto 3.00 pm on a Business day and funds are available for utilization before the cut-off time – the closing NAV of the Business day shall be applicable; - where the application is received after 3.00 pm on a Business day and funds are available for utilization on the same day or before the cut-off time of the next Business Day - the closing NAV of the next Business Day shall be applicable; - irrespective of the time of receipt of application, where the funds are not available for utilization before the cut-off time - the closing NAV of Business day on which the funds are available for utilization shall be applicable. For determining the applicable NAV for allotment of units in respect of purchase / switch in the Scheme, it shall be ensured that: - Application is received before the applicable cut-off time. - Funds for the entire amount of subscription/purchase as per the application are credited to the bank account of the Scheme before the cut-off time. - The funds are available for utilization before the cut-off time. - The aforesaid provisions shall also be applicable to systematic transactions like Systematic Investment Plan, Systematic Transfer Plan, etc offered by scheme.

	- In case of 'switch' transactions from one scheme to another, the allocation shall be in line with redemption payouts. Switch in will be processed at the Applicable NAV (on a Business Day) based on realization of funds as per the redemption pay-out cycle for the switch-out scheme. Redemptions including Switch - outs: The following cut-off timings shall be observed by the Mutual Fund in respect of Repurchase of units: - where the application received upto 3.00 pm – closing NAV of the day of receipt of application; and - an application received after 3.00 pm – closing NAV of the next Business Day. The above mentioned cut off timing shall also be applicable to transactions through the online trading platform. In case of Transaction through Stock Exchange Infrastructure, the Date of Acceptance will be reckoned as per the date & time; the transaction is entered in stock exchange's infrastructure for which a system generated confirmation slip will be issued to the investor.
Ongoing price for subscription (purchase) /switch-in (from other schemes/plans of the mutual fund) by investors. This is the price you need to pay for purchase/switch-in.	At the Applicable NAV Para 10.4 of SEBI Master Circular on Mutual Funds as amended from time to time has decided that there shall be no entry Load for all Mutual Fund Schemes. Hence, no entry load is levied for subscription transactions by the Scheme. Methodology of calculating subscription price: Subscription Price = Applicable NAV*(1+Entry Load, if any) Example: If the Applicable NAV is Rs. 10, Entry Load is NIL then the subscription price will be: = Rs. 10* (1+NIL) = Rs. 10
Ongoing price for redemption (sale) /switch outs (to other schemes/plans of the Mutual Fund) by investors. This is the price you will receive for redemptions/switch outs.	At the Applicable NAV subject to prevailing Exit Load. Ongoing price for redemption /Switch out (to other Schemes/Plans of the Mutual Fund) is price which a Unit holder will receive for redemption/Switch-outs. During the continuous offer of the Scheme, the Unit holder can redeem the Units at Applicable NAV, subject to payment of Exit Load, if any. It will be calculated as follows: Methodology of calculating repurchase price: Redemption Price = Applicable NAV*(1-Exit Load, if any) Example: If the Applicable NAV is Rs. 10, Exit Load is 2% then redemption price will be: =Rs. 10* (1-0.02) = Rs. 9.80 - Investors/Unit holders should note that the AMC/Trustee has right to modify existing Load structure and to introduce Loads subject to a maximum limits prescribed under the SEBI Regulations. Any change in Load structure will be effective on prospective basis and will not affect the existing Unit holder in any manner. However, the Mutual Fund will ensure that the Redemption Price will not be lower

	than 95% of the Applicable NAV. The Purchase Price shall be at applicable NAV.
Minimum amount for purchase / redemption / switches	Refer Section I – Part I for Minimum amount for purchase/redemption/switches. Minimum Redemption Amount/Switch Out There will be no minimum redemption criterion. The Redemption / Switch-out would be permitted to the extent of credit balance in the Unit holder's account of the Plan(s) / Option(s) of the Scheme (subject to release of pledge / lien or other encumbrances). The Redemption / Switch-out request can be made by specifying the rupee amount or by specifying the number of Units of the respective Plan(s) / Option(s) to be redeemed. In case a Redemption / Switch-out request received is for both, a specified rupee amount and a specified number of Units of the respective Plan(s)/ Option(s), the specified number of Units will be considered the definitive request. In case of Units held in dematerialized mode, the Unit Holder can give a request for Redemption only in number of Units which can be fractional units also. Depository participants of registered Depositories can process only redemption request of units held in demat mode. The AMC/ Trustee reserves the right to change/ modify the terms of minimum redemption amount/switch-out.
Accounts Statements	The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). The AMC shall dispatch a Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds (including transaction charges paid to the distributor) and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month by mail or email on or before 15th of the succeeding month. For investor having demat account, the depositories shall dispatch a monthly consolidated statement with details across all schemes of mutual funds and securities held in dematerialized form across demat accounts and dispatch the same to investors who have opted for delivery via electronic mode (e-CAS) by the 12th day from the month end and to investors who have opted for delivery via physical mode by the 15th day from the month end. For folios where there are no transactions during the half – year, the AMC shall dispatch a half – yearly CAS at the end of every six months (i.e. September/March) on or before the 21st day of the succeeding month for holdings across all mutual funds at the end of the half-year. For folios where there are no transactions during the half – year , the depositories shall dispatch a consolidated statement (for investors having a demat account) i.e. half-yearly CAS at the end of every six months (i.e. September/ March) to investors that have opted for e-CAS on or before the 18th day of April and October and to investors who have opted for delivery via physical mode by the 21st day of April and October to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable For further details, refer SAI.

Dividend/ IDCW	The payment of dividend/IDCW to the unitholders shall be made within seven working days from the record date. The AMC shall be liable to pay interest to the Unit holders at 15% p.a. or such other rate as may be prescribed by SEBI from time to time, in the event of failure of despatch of dividend payments within the stipulated time period calculated from the record date.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within three working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds. For detailed procedure on how to redeem, kindly refer SAI.
Bank Mandate	It is mandatory for investors to mention investor's bank account details on the form. Applications without this information are liable to be rejected. The Mutual Fund / AMC reserves the right to hold redemption proceeds in case requisite bank details are not submitted.
Delay in payment of redemption / repurchase proceeds / dividend	The Asset Management Company shall be liable to pay interest to the unitholders at rate as specified vide clause 14.2 of SEBI Master Circular for Mutual Funds . by SEBI for the period of such delay. The AMC shall pay interest to the Unit holders at 15% or such other rate as may be prescribed by SEBI from time to time, in case the Redemption / Repurchase proceeds are not made within three (3) working Days of the date of Redemption / Repurchase. However, the AMC will not be liable to pay any interest or compensation or any amount otherwise, in case the AMC / Trustee is required to obtain from the Investor / Unit holders verification of identity or such other details relating to Subscription for Units under any applicable law or as may be requested by a Regulatory Agency or any government authority, which may result in delay in processing the application.
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	As per Para 14.3 of SEBI Master Circular on Mutual Funds as amended from time to time, the unclaimed Redemption and IDCW amounts shall be deployed by the Fund in money market instruments and such other instruments/securities as maybe permitted from time to time. The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. The circular also specifies that investors who claim these amounts during a period of three years from the due date shall be paid at the prevailing NAV. Thus, after a period of three years, this amount can be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. In terms of the circular, the onus is on the AMC to make a continuous effort to remind investors through letters to take their unclaimed amounts. The details of such unclaimed amounts shall be disclosed in the annual report sent to the Unit Holders. Further, according to Para 14.3 of SEBI Master Circular on Mutual Funds as amended from time to time the unclaimed Redemption and IDCW amounts may be deployed in separate plan of Overnight scheme/Liquid scheme/Money market mutual fund scheme floated by Mutual Funds specifically for deployment of the unclaimed Redemption and IDCW amounts.
Disclosure w.r.t investment by minors	Following is the process for investments made in the name of a Minor through a Guardian: - Payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian.

	- Mutual Fund will send an intimation to Unit holders advising the minor (on attaining majority) to submit an application form along with prescribed documents to change the status of the account from 'minor' to 'major'. - All transactions / standing instructions / systematic transactions etc. will be suspended i.e. the Folio will be frozen for operation by the guardian from the date of beneficiary child completing 18 years of age, till the status of the minor is changed to major. Upon the minor attaining the status of major, the minor in whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new bank account. - No investments (lumpsum/SIP/ switch in/ STP in etc.) in the scheme would be allowed once the minor attains majority i.e. 18 years of age.
